LED-OFFICE

LED-OFFICE-SERIES

Mira Series

105 cm

Highlight Mira:

Light colour can be infinitely varied between warm white and daylight white.

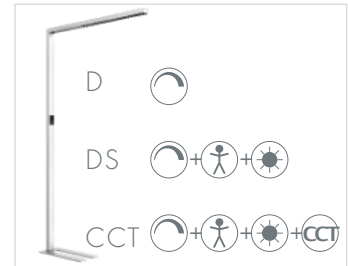

The demands placed on office luminaires are high: optimum lighting conditions enhance concentration, creativity and performance.

Our LED luminaires from the Office series provide brilliant light that is additionally intelligent thanks to technological innovations.

- Dimmable, other versions with intelligent sensor technology
- Standards compliant and glare-free
- High visual comfort
- Energy efficiency
- Stylish modern design
